Re: FEC-RAD2014830640253 Cathy McMorris Rodgers for Congress
Bills payable by our campaign don't all arrive by the FEC reporting date.
In some cases, such as the present instance, we're not even billed until
weeks or months after the services are performed.

The item you refer to in your Request for Additional Information wasn't
billed to us until 7/21/14, although it related to services performed in the
first quarter of 2014.

When I, as Treasurer, first became aware of this item (on 7/21/14),
I paid it and amended the FEC report on which it would have appeared
if I had known about it as of the FEC reporting date.
